Motor hours: 800 h
Cruising Speed: 25 knots
Max speed: 34 knots
Water tank: 1199 L
Fuel tank: 5000 L

The yacht is with her first owner, fully equipped and excellently maintained by Sunseeker and her previous owner. At the time she was build, her saloon with the open bar was way ahead. That give the boat extra ample space and creates a special meeting point in the evenings aboard. With her bow and stern thrusters, the Seakeeper and the yacht controller, she can easily be used by the family alone, or with only one boatman. "The information provided is expected to be correct but not guaranteed".
TRADE IN IS POSSIBLE!
